

FINAL EXAM Exemption Incentive and Contract 2018-19

Allatoona High School has implemented a Final Exam Exemption Incentive for Non-EOC/Milestone courses. For students to participate in the incentive, **both the Parent and Student must read and sign this contract.** As this is a school-wide incentive, the contract guidelines will be the same for all eligible courses. Students must return this form to each individual teacher, **“No later than August 31, 2018.”**

The following stipulations must be met, in order to exempt the Final Exam in an eligible course.

- The student has an average of 80 or above in the course **(as of Friday, December 14, 2018)**
- The student has accumulated no more than three absences (18-week courses) OR no more than two absences (9-week courses). Excused and Unexcused absences count towards the above totals.
NOTE: Approved School Sponsored activities do not count towards the above totals.
- The student has returned the contract to the eligible course teacher by **Friday, August 31, 2018.**

If a student meets the above requirements to exempt, but opts to take the Final Exam, he/she will receive no penalty for their ambition.

Example 1: If a student has an 88% in the course, he/she might opt to take the Final Exam in an attempt to earn an A in the class. If that student does not do well on the Final Exam, the final class average will not drop below 88% for the course.

**Thus, there is no penalty for taking a Final Exam that a student is eligible to exempt—it can only improve the course average.*

I understand that I/my child must meet the above requirements to be eligible to exempt a Final Exam in Non-EOC/Milestone courses. If a student is eligible to exempt the Final Exam, they do not have to come to school during the class period in which the Final Exam is being administered.
